

Timeline

Compose a timeline that includes at least ten key historical events (political, cultural and/or social) from the periods we have studied this semester - the prehistoric through medieval periods. Incorporate at least ten important works of art (properly identified) that exemplify the artistic concerns of the era. Include concise explanatory text to connect the key events with the exemplary works of art you have identified. Your timeline should incorporate both text and images. How well you organize this data is one element of your grade.

Rather than consider all of the history we have studied this semester, you may choose to focus on one relevant period. The interactive timeline, *The Top 50 Works of Modern Art* on artstory.org provides an excellent model.

Please provide a CMS Bibliography to cite at least two credible sources of information you consulted while developing your timeline. This can be printed/glued to the back of your timeline. The timeline and related Bibliography will need to be submitted on paper at the beginning of class.
