Exhibition Response

View an exhibition at an off campus museum or gallery open during the current semester.

Title of Exhibition _____

Venue _____

Curator/s _____

Dates on view _____

In your own words, explain the major themes and curatorial concepts of the exhibition.

Define the word "curator" and, in your own words, explain what they do with an exhibition.

What kind of information did you find on wall didactics and handouts? Describe tone and other features of the text that directly or implicitly conveyed meaning.

Consider how the works on view were placed within the exhibition space. Identify one or a pair of works that appeared to have been placed in a specific location for a particular reason. Did the placement of the work/s inform your understanding or lead you to ask questions that may not have otherwise occurred?

Identify two different works in the exhibition and discuss their meaning using techniques learned in Art 195.
