Visual Thinkers Lecture Series Report

Please attend one of the three Visual Thinker Lecture Series presentations this semester and report on your experience within one week of attendance. Art and art history majors are required to attend all three lectures, but need only submit one report.

Visual Thinker Lecturer _____

Date of talk _____

Identify at least one major theme in the speaker's work and summarize key concepts and motivations compelling and/ or tying their work together.

What major influences did the speaker share? How did the speaker contextualize their own work?

Relate the speaker's concerns and themes to your coursework this semester. What professional, scholarly, or artistic connections were you able to make with the speaker's work?

Identify a work that the lecturer shared. What was meaningful to you and your artistic practice or student experience about this work?

Artist, Title, Date _____
