

Research Paper Plan

By this point in the semester, you have identified a research topic and have formulated a thesis that will articulate your understanding of a minimum of four works of art. Your discussion of these works should be anchored by your thesis position or question, and include both visual description and analysis that skillfully utilizes relevant art historical methodologies. Identify the four works of art you plan to analyze in your research paper here:

Artist, <i>Title</i> , Date	
Materials	
Dimensions
