| Die Brücke                | Realism            | WWII             |
| Divisionism (Pointillism) | Romanticism        |                  |

### Questions to Consider

Be able to answer each of the following questions.

What group replaced the Church as the primary source of art patronage in the 19th century? How did this affect the art world? How did this affect the subject of art?

What two forms did Romantic landscape painting take in the late 19th century?

When did photography, as we know it, develop? What role did the camera obscura play in the development of the camera? Who does your book credit with developing the first photographic image? How did early photographers legitimize their new media?

What events spawned the first Impressionist exhibit?

Why was Manet's **Luncheon on the Grass** considered so scandalous?

What subjects did Cassatt focus her attention on?

What four artists does your book recognize as the leading Post-Impressionists?

Describe Cezanne's "new way of seeing."

What is an "ism?"

What broad tendencies mark modern art?

Explain what makes Marcel Duchamp's **Fountain** a work of art.

### Styles

Using the image ids from exams # 1, #2, and the final be able to identify the style in which each artwork is made. The following is a list of major art movements we have covered (in rough order of appearance).
