Community Name _____

History of Photography

You earned _____ out of 10 points possible.

Learning Community 2

Review the questions given to your group. Correct grammatical mistakes and spelling errors. Improve the rigor of the question by rephrasing "detail questions" to generate "conceptual questions." Rewrite open ended essay questions as multiple choice, true or false, or fill in the blank questions. Finally, provide the correct answer.

The instructor will choose from your improved questions when building the quiz on Moodle. The questions you write, and thus, Quiz 1, will cover the following topics:

- | | | |
|------------------------|-----------------------|--------------------------|
| Positivism | Mathew Brady | Cinematography |
| Transparency | Alexander Gardner | Art & photography |
| Albumen paper | Manifest Destiny | Charles Baudelaire |
| Stereoscope | Western Landscape | Nadar |
| Scientific Uses | Carlton E. Watkins | Oscar Rejlander |
| Duchenne de Boulogne | Timothy O'Sullivan | Amateur Photo Clubs |
| Dr. Hugh Welch Diamond | Eadward Muybridge | Lady Clementina Hawarden |
| Mechanical Photography | Sky Shade | Julia Margaret Cameron |
| Francis Frith | Etienne Jules Marey | Theory of Sacrifices |
| Roger Fenton | Persistence of Vision | Lewis Carroll |
| Civil War | Zoetrope | |

Community Member Roles

- Leader - insures that everyone in the group contributes and is heard
- Task Master - insures that all members understand the goal and are focused on achieving it
- Coach - makes sure that questions and answers are grammatically correct and well written
- Scribe - writes/types questions and answers for the group
- Registrar - submits questions for the group at the end of class or via email
